25X1A9a
a. We are happy to welcome Miss ██████████ as a member of our instructional staff. ██████████ was a PP case officer with WE-██████████ 25X1A6a DD/P. She is presently enrolled in CPW course No. 33 and, upon completion 25X1A9a of this course, will assume her duties as assistant to ██████████

25X1A9a
b. ██████████ is going on annual military leave for 15 days commencing 11 March. He will be stationed in the Unconventional Warfare Division, Office Chief of Special Warfare at the Pentagon.

25X1A9a
c. ██████████ has received an interesting report from his replacement 25X1A9a as Chief Instructor, War Planning. ██████████, currently with the 25X1A6a ██████████, reports he is the envy of the entire ██████████ Station. Personnel there are amazed that one of their members has received a definite Headquarters assignment some six months prior to returning to the United States. This appears to be quite a boost for the Office of Training and ██████████ PPC, for the manner in which the instructor rotation was handled.
